

XYZ (Xtremely Young Zoroastrians) an organisation of children between the ages 5 to 15 years aimed at promoting togetherness and camaraderie within the youngsters of the Parsi Community.

Under its MAD (Make A Difference) Initiative, titled 'XYZ Stepping Forward', XYZ organised a shoe collection and distribution drive on Sunday, 2nd October, 2016.

Over 100 XYZ members along with parents, volunteers and friends, visited 21 different locations across Mumbai and were able to collect a whopping 12,199 pairs of footwear to provide relief to the underprivileged in Mumbai and all over India.

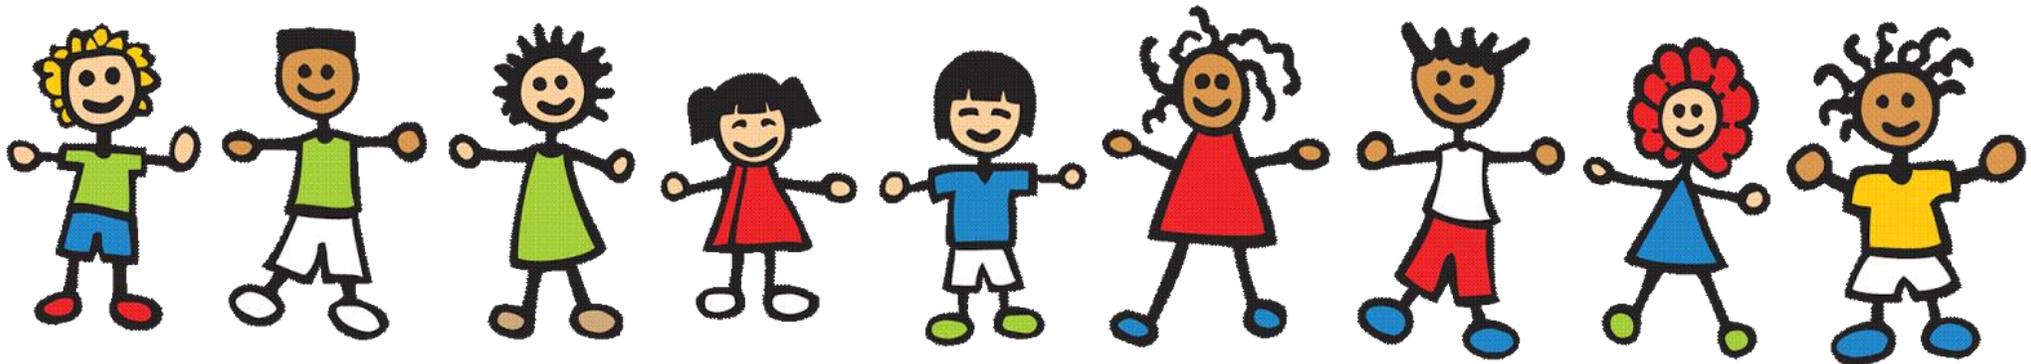

XYZ sent all the collected footwear to NGOs like Hamara Footpath, Greensole, Goonj, Oscar Foundation, Angel Xpress Foundation, WWH Foundation, etc. to be distributed among people in need and to help ease their lives. 24 pairs of Jaipur Foot were also donated.

How can we Make A Difference this year?

XYZ is planning a city wide collection drive for vessels and utensils which may be surplus to requirement and no longer in use at people's houses.

The XYZ members along with volunteers and parents will collect vessels from our own houses and donate them to the one's in need all over Mumbai.

XYZ

VESSEL -A- THON

Why Vessels?

Vessels make it possible for us to cook our food - life's most basic need. They help us enjoy a hot and nutritious meal.

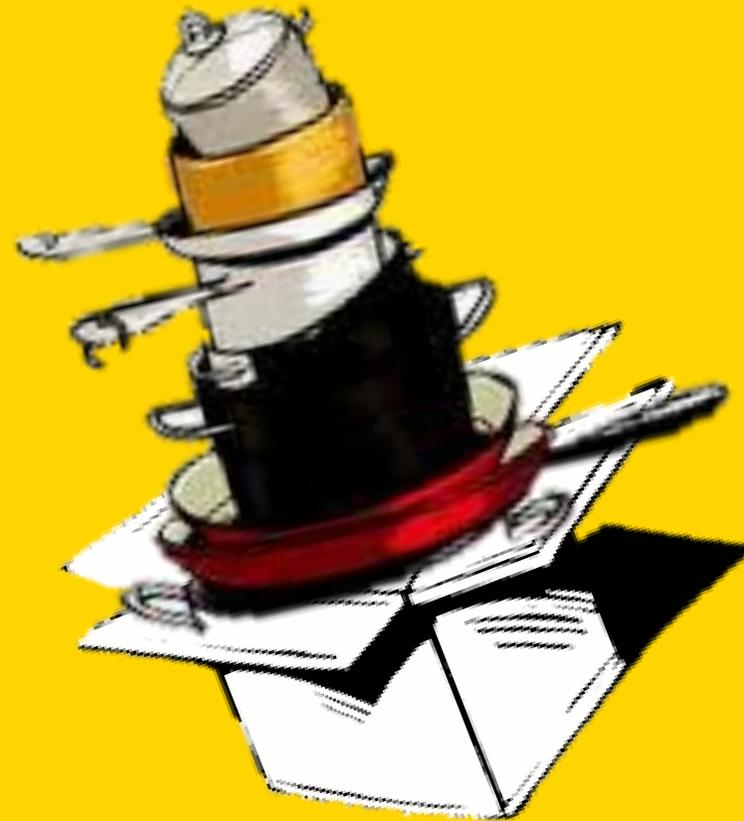

But not everyone in our country has clean and safe utensils.

Let's change that!

What can you donate?

- Plates
- Spoons
- Forks
- Glasses
- Bowls
- Pots
- Pans
- Dishes
- Cooking Utensils
- Serving Spoons

- ONLY METAL utensils will be collected.
- We will NOT ACCEPT KNIVES or
utensils made from PLASTIC / GLASS

How will this work?

Step 1:

A collection drive has been organised by our XYZ groups in various colonies on Sunday, 24th February 2019 from 9:30am to 12:30pm.

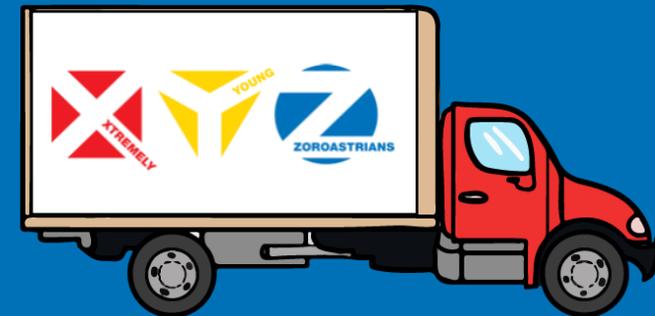

Step 2:

We will have children going door-to-door and manning centres where people can drop off the utensils and they will be separated as Plates / Forks & Spoons / Glasses & Bowls / Big Utensils.

Step 3:

Utensils from across all centres will be picked up by trucks and handed over to various like Goonj, Hamara Footpath, Oscar Foundation, WWH Trust, etc.

How can you Make A Difference?

1. DONATE

Please give as many vessels as you can.

You can drop them off at the collection centre close to you.

A donation in cash or cheque can also be made for new vessels.

2. VOLUNTEER

Make the conscious decision to come down to your colony and help with the collection process for only 1 to 2 hours.

3. SUPPORT

If you are unable to do the above, we still hope that you can forward this message to others in the community and Make A Difference.

If you have any questions or doubts regarding the collection drive,
