

28th November 2025

Dear Donor,

Xtremely Young Zoroastrians (XYZ) is an organisation aimed at promoting togetherness and camaraderie within the youngsters of the Parsi community. XYZ aspires to mould the children to become better individuals and inculcate values through fellowship and service activities.

Currently, the XYZ family is 750 strong, and includes the **XYZ Juniors** group for children under the age of 7 years, the **XYZ Kids** who are between 7 and 15 years of age and the **XYZ Seniors** group for the youth, ie. 15 to 25 years with another 150 members. XYZ is also starting a new initiative called **XYZ SILVERS** for members of the community who are over 55 years of age with different events and activities.

What does XYZ do?

XYZ aims to encourage leadership skills like goal setting, decision making, teamwork, people skills, money management and ethics through various activities and events like indoor and outdoor sports, athletic meets, literary arts and fine arts events, cooking competitions and talent contests, summer camps, leadership camps, and many other activities for all age groups. These diverse events take place all over the city of Mumbai during the year and to meet our objectives, we solicit the support of individuals and organisations that share our vision for a brighter future.

Service to society has been an integral aspect of XYZ, as rooted through our Zoroastrian scriptures, and we strive to inculcate an "Attitude of Gratitude" into each one of our members. We organise frequent social service events and help various NGOs, orphanages, old age homes, street children, differently abled individuals, and pets. We can proudly say that XYZ is MAD (Making A Difference).

What's next at XYZ?

XYZ is MAD once again and we are organising the "XYZ Xtravaganza", an inter-group dance competition on Saturday, 20th December 2025 at KC College Auditorium, Churchgate, showcasing the theme "Indo-Western" where our XYZ groups will present different Indian and Western dance forms. The main aim of this event is to raise funds for various Old Age Homes and Senior Citizens. Prior to the event, our XYZ children will visit various Old Age Homes to understand their needs. They will also raise awareness among the members of the community and help realise their requirements.

How can you make a difference?

Funds will be raised through event sponsorship, souvenir advertisements, donor passes, lucky-dip coupon sales and prizes. We would be grateful if you can spread the word to your family and friends to help us raise funds and support this cause. All donors contributing through XYZ Foundation can avail of 50% exemption u/s 80G of the Income Tax Act.

We express our heartfelt gratitude and thank you once again for supporting XYZ.

On behalf of the XYZ family,

Hoshang Gotla
Founder, XYZ

Service to society has been an integral aspect of XYZ, as rooted through our Zoroastrian scriptures, and we strive to inculcate an “Attitude of Gratitude” into each one of our members. We organise frequent social service events and help various NGOs, orphanages, old age homes, street children, differently abled individuals, and pets. We can proudly say that XYZ is MAD (Making A Difference).

In 2015, our Blessings Bag drive distributed essentials like clothes, toiletries, and food to over 1,500 people on Mumbai’s streets. In 2016, Stepping Forward, a shoe collection drive, gathered 12,199 pairs of footwear for NGOs such as Hamara Footpath, Greensole, and Goonj, and provided 400 children with new football gear through the Oscar Foundation, along with 22 Jaipur Foot prosthetics.

In 2017, XYZ Xtravaganza raised ₹10,51,456 for cancer patients and care facilities including Tata Memorial, KEM, and NGOs like Happy Feet Home and PAL Care. In 2018, we funded 500 mid-day meals through the Akshay Patra Foundation. In 2019, Vessel-a-thon collected 14,758 utensils for NGOs, and another Xtravaganza raised ₹15,51,142 for differently abled children from Ahura Support and Mann Foundation.

During the Covid-19 pandemic, XYZ supported education, food, and healthcare needs, provided mobile phones for online learning, and donated supplies to hospitals, orphanages, and old-age homes. In 2023, we supported Samaaveshi Paathshala, a tribal school in Karjat, raising ₹7,00,000 for a school van for differently abled children and installing solar panels in two anganwadis to ensure uninterrupted education. The XYZ Xtravaganza in 2023 raised over ₹20 lakhs for various agiary caretakers and priests along with maintenance of the agiaries.

In 2024, our members supported children at SEC School for the physically challenged, led cleanliness drives across Mumbai to promote environmental hygiene, served food at a Gambhar in the spirit of giving, crafted handmade cards and shared snacks with support staff to spread joy and gratitude, raised funds for Pankh and donated to Little Gurus’ Nest, supported orphaned girls at Amcha Ghar NGO, and raised ₹5 lakhs for Tata Memorial Hospital while collecting 180 sarees for the underprivileged. Together, these initiatives reflected compassion, commitment, and the true essence of Making A Difference.

XYZ is MAD once again and we are organising the “XYZ Xtravaganza”, an inter-group dance competition on Saturday, 20th December 2025 at KC College Auditorium, Churchgate, showcasing the theme “Indo-Western” where our XYZ groups will present different Indian and Western dance forms. The main aim of this event is to raise funds for various Old Age Homes and Senior Citizens. Prior to the event, our XYZ children will visit various Old Age Homes to understand their needs. They will also raise awareness among the members of the community and help realise their requirements.
